

SKILLS SHORTAGES

In recent surveys of businesses throughout the Province of British Columbia, a shortage of skilled workers has been identified as a major challenge for business success. The Greater Langley Chamber of Commerce, in partnership with both the Township of Langley Economic Development Office and the City of Langley is examining this issue in an effort to help identify potential solutions. We would appreciate your valuable input and respectfully request that you take a few minutes to complete a very brief survey to help us understand the impact of skills shortages on the local economy and the Langley business community.
