PRESIDENT'S REPORT

Getting ready for busy fall business season

It is hard to believe that we are already halfway through summer and after a quiet July we are back to being busy at the Greater Langley Chamber of Commerce.

Join us on Tuesday, Aug. 20 as we host our annual summer dinner meeting at the Langley Golf and Banquet Centre.

The dinner is sponsored by

BMW Langley, featuring our guest speakers from Creative BC – the provincial organization that supports the growth and development of the province's creative economy.

These industries include motion picture, interactive + digital media, music, book publishing, and magazine, just to name a few.

Registration closes on Friday, Aug. 16, so book your seat soon.

The Greater Langley Chamber of Commerce will be turning 88 this year. As such, we will be hosting our annual general meeting (AGM) on Tuesday, Sept. 17.

If you, or someone you know, is interested in joining the board of directors, nomination information is up on our website.

If you have any questions regarding the commitment of being a board member, please contact CEO Colleen Clark. Deadline for submissions is Friday, Aug. 30.

Coming up in early September is our annual Women's Event, we invite you to lunch at Cascades Casino Resort on Thursday, Sept. 5, to hear motivational speaker Darci

Lang.

We are also excited to host our 23rd annual Business Excellence Awards on Thursday, Oct. 24.

Nominations are now open for the 11 award categories. Consider nominating your favourite business or not-for-profit organization today

This is one of our "must

attend" events of the year, tickets are now on sale and some sponsorship opportunities are still available.

No other business organization works as intensely as we do in govern-

ment affairs and attempting to reduce red tape.

We heavily engage in issues affecting our members, our community and our province.

The Greater Langley Chamber of Commerce will be attending the Canadian Chamber AGM and conference in St John, New Brunswick later in September.

We're working on policies to assist in reducing red tape and costs to business.

Right after our federal policy debates, it will be time to address the federal election in October.

The chamber will be hosting two all-candidates forums, one on Sept. 30 and the other on Oct. 1.

Please check our website for further details.

If you are a candidate, please contact our CEO at colleen@langleychamber.com to register your attendance at these events.
